

**New Prairie High School Head
Varsity Football Coach**

Russ Radtke

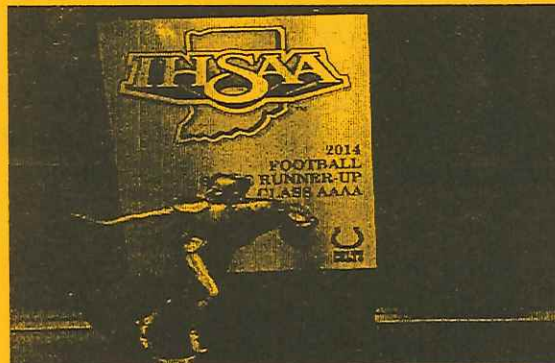

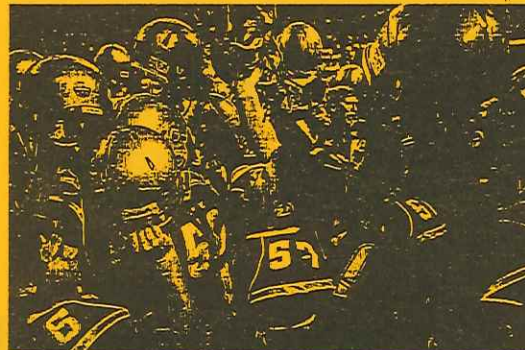

"I, along with my staff, believe in football. We believe in hard work and we believe in total development of our young men. Anyone with loyalty, pride and dedication can achieve success. We feel that our program is good football. We wish to offer an opportunity for the young men in our community to receive individualized instruction based on repetition of skills. I am confident that the young men that leave this football camp as well as our program are more capable of executing the skills involved in the game of football as well as the game of life."

Feel free to call our football office if you have any additional questions regarding the camp or any components of it at (574)654-0298 or email me directly at rradtke@npusc.k12.in.us.
